

## SURGERY DAY CHECKLIST

- Have your exact fee ready at the time of surgery.** See the enclosed fee schedule for the acceptable forms of payment.
- Bring your signed consent form with you.** Read it at home and have it signed and/or initialed in all the designated areas. This does not need to be signed or witnessed in front of a staff member.
- Bring your prescriptions with you on surgery day.** PLEASE: DO NOT TAKE THE VALIUM OR USE THE MOXIFLOXACIN OR PREDNISOLONE EYE DROPS UNTIL YOU ARE INSTRUCTED TO DO SO.
- Purchase additional preservative free tears.** On surgery day we will supply you with a kit containing sunglasses, sleeping goggles and a coupon or a sample package of Refresh Preservative Free Tears. You will need to pick up additional preservative free tears (**any brand is acceptable**). You will be using tears frequently for a month after surgery, so we suggest an economy size box (usually between 70 – 150 vials). **Preservative free tears are NOT sold in bottles.**
- Please make sure you have arranged for a driver to pick you up after surgery.** The surgery time provided by our staff will be your arrival time. Plan to be at the office for approximately 1 hour from your time of arrival.

***Post COVID: Due to safe distancing and intense sterilization, we ask that you arrive alone (unless you require assistance). We will be happy to take the cell phone number of your driver and contact them 15 minutes prior to leaving our office so they can be ready to pick you up.***

- Pre-book your next 2 follow up appointments.** After LASIK procedures it is imperative that you are seen at regular intervals to monitor your recovery. These appointments will be at our office, or with your regular eye doctor, usually at no extra charge to you. Your follow up appointments are included in the cost of your surgery and will be scheduled at:
  - 1-day – at Clear Advantage (approx. 10 minutes - you should be able to drive to this appointment)
  - 1-week – at Clear Advantage **or your eye doctor** (approx. 10 minutes)
  - 1-month – at Clear Advantage **or your eye doctor** (approx. 10 minutes)
  - 3-months – at Clear Advantage **or your eye doctor** (approx. 10 minutes)
  - 1-year – at Clear Advantage **or your eye doctor** (approx. 10 minutes)

**Surgery days are every Thursday with an arrival time between 9:30am and 4:45pm and, on occasion, Friday's with an arrival time between 9:15am and 3:15pm.**

**You will also be scheduled for a 1-day follow up (Friday or Saturday) at Clear Advantage**
